MARINE CITY HIGH SCHOOL

MARINE CITY, MICHIGAN

TO

Doctor A.B. Armsbury

in grateful recognition of his untiring zeal and faithful work through twenty-five years of service on the school board, the class of 1949 respectfully dedicates this Mariner. A man of high ideals and steadfast courage, he has contributed much to the higher standards of education. His belief that a good education is the birthright of every child has been the driving force behind his insistence on achievement in our public school system. His philosophy of life as expressed by Carlyle is "Our grand business is not to see what lies dimly at a distance, but to do what lies clearly at hand."

## SCHOOL BOARD

Front Row: Carl Smith, Ervin Jones.

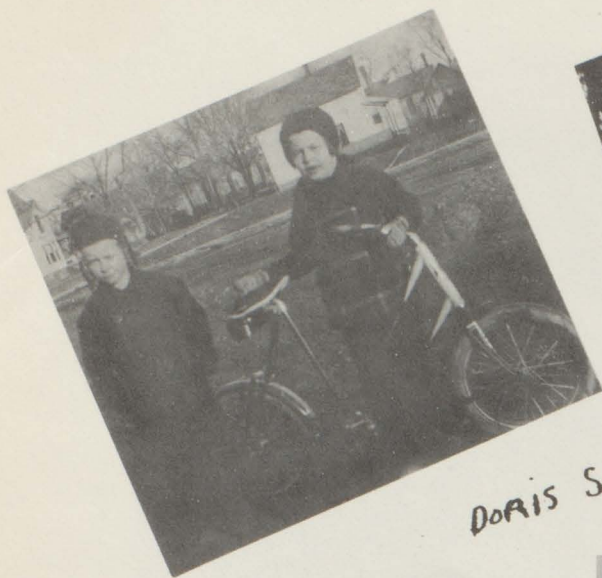

Second Row: Donald McDonald, Dr. A. B. Armsbury, Henry Lawrence.

An old English proverb says: "That however far a man goes he must start from his own door."

We again present to you in concrete form what our students are doing and thinking, and a reasonable picture of how they enjoy school life. We feel it will give one an idea of the foundation they have for the journey into manhood and womanhood. We also believe that after the home, a goodly part has been contributed by the help and cooperation of our earnest and sincere faculty, whose devotion to duty and joy in doing thereof we hereby acknowledge.

## PRESIDENT'S ADDRESS

We the Class of '49 wish to extend a hearty welcome to you, our parents, teachers, friends, and classmates, to the completion of our school days. We wish also to extend our gratitude to our teachers, parents, and friends who helped us through our struggle and made this event possible--the event that we have dreamed of for a long time.

Although we were small and shy when we entered high school, all of the years have been very successful. With Miss Marcelletti following us up through our first three years of high school, how could we be anything but successful? When Miss Marcelletti left us at the end of our Junior year, Mrs. Fullwood and Mr. Pfingst became our sponsors.

During these four years we learned to co-operate with each other. We had faith and understanding in our sponsors and officers and, therefore, had courage to take any task that came before us.

As a review our high school years, we see that the highlight events, such as the profitable magazine and card sale, all-high dances, Gay 90's J-Hop, banquet, prom, carnival, and the senior play are memorable ones. Probably the most memorable one to the seniors is the senior trip, and I am sure that it will remain in our minds for many years.

We are proud of our outstanding athletes, Harvey Brodeur, Louis Christensen, Harrison Miller, and Blaine Terbush, for we know that they cannot be equalled. We thank their coaches through their athletic years, Mr. Pfingst, Mr. Dresser, Mr. Ketner, and Mr. Murphy.

Yes, this is the end of the first era, and we stand on the threshold of a new and exciting world. However, we know we are prepared to leave high school and begin our planned future, whatever it may be. With our motto: "Tonight we launch, where shall we anchor," in mind, I believe our future also will be successful.

We the Class of '49 wish to thank our sponsors, Mrs. Fullwood and Mr. Pfingst, for the patience, courage, kindness, and help they had and gave to us.

JOAN ERDMANN, PRESIDENT

## CLASS HISTORY

As we the class of Forty Nine toed the line for the start of our four big track meets, we were anxious and tense for we knew there would be happy and sad times.

As we started our first meet, there were sixty-five in the race. Our leaders for that lap were Louis Christensen, Harrison Miller, Bill Smith, Bob Hund, Joan Erdmann, and Don Segar.

Our coaches for the first meet were Miss Marcelletti and Mr. Marsa. After a few weeks rest we were out for our second meet.

Our coaches for that meet were Miss Marcelletti and Mr. Connors. During this meet we had two very successful band dances, one successful bake sale, and an assembly.

JOHN ANDERSON

"While we stop to think, we often miss our opportunity."

ESTHER BASSETT

"No pleasure induces unseasoned by variety."

## *Senior Dramatics*

Under the patient and very capable guidance of Mrs. Louise Fullwood and Mr. Ralph Pfingst, we presented "Don't Take My Penny", a hilarious three act comedy.

After two rather nerve racking days of tryouts, the cast was chosen and all the jobs connected with the play production were assigned. Rehearsals were scheduled and the cast settled down to making up a week's school work so they could be excused for 7 day's uninterrupted play practice.

Ten years from now, or when ever a group of 49ers get together to reminisce, there will be a round of laughter when this play is mentioned, not for the planned laughs--but for the many many happy moments we shared during rehearsals.

The story was centered around the teen-age daughter of a somewhat preoccupied family. Penny's theatrical aspirations involve not only her family but a noted author, costume designer and of course, her boyfriend.

The way this family goes about solving problems, may not be very scientific but certainly provided a lot of laughs, for those who saw it on March 16, 17, and 18.

The cast included: Joan Erdmann as Sally, a maid with a purpose  
 Louis Christensen as Norman Porter, a publicity man  
 Susan Smith as Penny, a pretty little miss  
 Ted Sherwood as Caleb, her absorbed father  
 Lyell Schneider as Mark, her farm minded brother  
 Ruth Thoms as Mavis, her attractive sister  
 Sally Dye as Lidia, her busy Mother  
 Connie Robertson as Joanna, her loyal girlfriend  
 Harrison Miller as Kerry, her resourceful boyfriend  
 Bill Smith as Greg, his pal with ideas  
 Loretta Kreusel as Gram, a very wise lady  
 Winston Hasler as Monsieur Henri, a French designer  
 Joan Hamilton as Claire  
 Ann Kammer as Elsie  
 Shirley Jessup as Lucile

Three beautiful young models  
 Bill Knuth as Red, a delivery boy  
 John Anderson as Harrison Day, a young author

Those indispensable people who check on scenery, makeup, and smooth down the ruffled feathers of each actor who waits in the wings for his cue were Estelle Furtaw, Shirley Koch, Evelyn Varndell, Doris Smith, and Esther Bassett. Winston Hasler was stage manager. Many of the senior boys assisted in putting up scenery and chairs. Stage prompters were Beryl McGee, Estelle Furtaw, and Susan Mitten.

Susanne Mitten and Bruce Whitesell offered several duetts during intermissions. Others who assisted back stage were Pat Burch, Marietta Price, Valarie Duetsch.

FRED BECKER

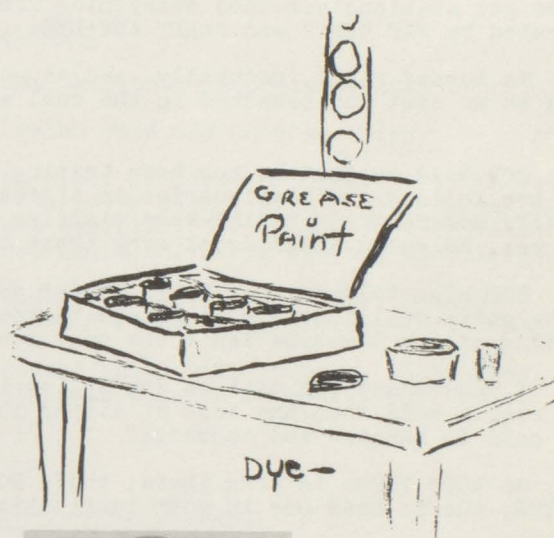

"There is no great genius without some touch of madness."

JOHN BELL

"A great step toward independence is a good humored stomach."

HARVEY BRODEUR

"He was a burning  
and shining light."

MARVIN BURMAN

"Good health and good  
sense are two of  
lifes greatest bless-  
ings."

## CLASS PROPHECY

An open letter to Dave Penn and Lyell Schneider

4242 Humbugley Avenue  
No Water, Arizona  
June 3, 1964

Dear Dave and Lyell,

Hello. How are you boys making out down there in Sunny Africa? I'm just about roasted here in No Water, Arizona. Honestly, this place is just what the name implies.

What makes it so hard right now is the fact that I've just returned from our Beautiful Blue Water Area in Michigan. That was my first trip home in ten years. And it was delightful.

Most of our class of 1949 have stayed quite close to Marine City. Remember BOB HUND? He definitely wasn't going to stay in M. C. Well, he doesn't, but he drives through it several times a day. He was perched up in the bus-driver's seat of the Greyhound ready to leave Detroit for Port Huron.

I could have wired JEAN JESSUP to be at the Detroit City Airport with her airplane but I preferred the slower way, by bus. It was certainly worth it, too.

As we came close to the New Baltimore Highway, we saw a huge parking lot and gas stations. This lot took in several acres on the SE corner NBH and Gratiot. These gas stations serviced everything from scooter bikes to airplanes and were operated by PAT BURCH and SALLY ANN DYE.

We turned right, naturally, and as we came closer to the water, I just sat back in my seat and breathed in the cool and refreshing air and listened to BOB talk.

BOB told me that he has been writing to you folks abroad. He told me that you two fellows are missionaries in Africa. BOB also said that while MARVIN BURMANN and HARRISON MILLER were visiting you, they discovered a new diamond mine. Oh, yes, we women still drool over those beautiful pieces of glass.

BOB also told me that FRITZ BECKER and BILL KNUTH are in Africa. FRITZ is doing quite well in the music store business down there, I understand. Now the beating of the tom-toms isn't the only music you hear.

I understand the natives don't live in grass huts anymore either. BILL K. has really sold them the idea of living in trailers. Do those two boys still get paid in bananas and coconuts?

So RUTH THOMS is down there, too? BOB tells me that she is assistant to SONNY SPICER, who is Head Doc in your institution.

EUGENE TOTZKE and BOB TICKNOR are in the cruising business. Their main offices are in Australia, but they have cruises from there to Japan, where RALPH SMITH lives.

RALPH is quite a famous dentist, and VALARIE DUETSCH loved that work so well in M. C. that she just tagged along with RALPH.

LOUIS CHRISTENSEN

"Every day should be passed as if it were to be our last."

DOROTHY DOETSCH

"It is the ignorant who despise education."

## CLASS PROPHECY (Continued)

DON SEGAR was there, too. You should have seen him in his Fuller Brush costume in the parade. He won one of the main prizes as a Fuller Brush Mop.

CONNIE ROBERTSON is now in the insurance business with her office in the bank. The part CONNIE likes best is when she interviews a male client, who is interested in life insurance. CONNIE reaches into her drawer suspiciously and says, "Now open your shirt." What a thrill she gets when she places her stethoscope to their chests. Imagine hearing a heart beat just for you.

SHIRLEY KOCH is president of the Marine City Bank. She holds mortgages on almost all of her former classmates' homes. Once in a while, when business gets monotonous, she threatens to foreclose, but her pals all know she doesn't mean it.

DORIS SMITH is in charge of the SMITH & BELL Beauty Salon. She and JOHNNY BELL are doing pretty well for themselves. JOHN has the reducing and slenderizing department. After JOHNNY starves the patrons half to death, he turns them over to DORIS who gently persuades them that they need a new hair-do and make up. This is only too true after the treatment JOHN hands out.

After those two get through, the victim madly dashes to the Kreusel Dress Shoppe, if a lady, and to the Meade's Haberdashery, if a gentleman. What a racket those four have--DORIS SMITH, JOHN BELL, LORETTA KREUSEL, and JOHN MEADE.

It may be a racket, but it is all for the sake of glamour so there is nothing Police Chief BLAINE TERBUSH can do. Besides, he is one of their best paying customers.

Remember SHIRLEY JESSUP? She got married right after she graduated. She had to wash so many baby undies in a few years that she decided to go into business. Oh no, not more babies--laundry! She deposits her family in the nursery school and then rushes back to her laundry. She has the only Tidy Didy business in the Blue Water Area.

Well, before I returned to No Water, to resume my duties as librarian, I had to visit our Alma Mater.

Can you imagine ANN KAMMER in the upper office? Principal, no less. Believe me, teachers as well as pupils toe the mark in MCHS these days.

MARIETTA PRICE is the Biology teacher. She has the dissecting business down so good that her pupils are taking fleas apart to see what makes them tick.

JOAN HAMILTON has the Wood-working and Interior Decorating Class. First she teaches her pupils how to build a chair and then to upholster it. It's a well-known secret that she uses gaskets to stuff her own chairs. "Nothing like being thrifty," says JOANNIE, whose husband works at the Detroit Gasket & Manufacturing Company.

BERYL McGEE is Home Economics teacher. The meals her pupils serve are delicious. BERYL is also in charge of the High School cafeteria, most of the lunches being prepared in her own classes.

I couldn't leave without stopping in Room 9 to see who is in charge there. OTTO WOLF dispenses the advice and cheer these days. The pupils really brag about what a wonderful pal their Guidance Director is.

"No better than she should be."

## CLASS PROPHECY (Continued)

BILL SMITH is now U. S. Ambassador to Greenland. He says it's a funny thing, but there isn't much land up there and it isn't very green, either. He spends all his spare time trying to find out just why it is called Greenland.

When we were nearing Algonac, we saw signs advertising boats. Imagine my delight when I saw that NEIL McDONALD now owns the old Chris-Craft Corp. His Vice-President is DON SHARROW.

There is a speedway now between Algonac and M. C. running parallel with St. Clair River. DON and DICK PARCELL race their cars and NEIL his boats. One time NEIL wins and another time the twins win. So far it is a tie. But make no mistake, McDONALD is speed-king on the water. I understand that he has a separate cottage just to hold his trophies.

At last we reached M. C. Who happens to be standing at the Bus Depot? Why, his honor the mayor, ROY RUEMENAPP. That's one of his hobbies--greeting all incoming buses.

JOHNNY ANDERSON operates the Depot and it is a grand affair. It takes in the whole block from St. Clair Street to Washington and down to the river. The waiting rooms and rest rooms face the river. A person doesn't mind waiting there now.

I must now tell you about the Mardi Gras. This year they tried something different. The board member in charge decided to have a Beauty Contest for matrons only--ages from 20 to 40 inclusive. I don't have to tell you that SUSAN SMITH won, do I?

Governor JOAN ERDMANN crowned the queen, and BILL HAHN did the radio announcing. BOB HORN wanted to entertain the visitors with his singing, but the committee had to bribe him. (not to, that is.)

I arrived in M. C. a few days before the Mardi Gras. That is now an established event in M. C. for they now have their hospital with ESTHER BASSETT as doctor in chief and ESTELLE FURTAU as supervisor of nurses.

The hospital is at St. Clair Avenue and Belle River as originally planned.

Remember that huge vacant space on the west side of Parker just North of Ward-Cottrell School? A nursery school is there now, EVELYN VARNDELL is in charge of those quarters.

We had lunch at the Fish Bowl in charge of none other than DELORES FISH. The novelty of this place is that DELORES has a huge pool in the center of the bowl and each patron catches his own fish.

To wind the evening up, we went out M 29 to the old Sugar Mill property. BRUCE WHITESELL has a swell place there. He calls it the White Sill, and he has an enormously large white sill at the entrance. He entertains his patrons with his singing and SUZANNE MITTON is the female attraction.

HARVEY BRODEUR and TED SHERWOOD are very serious rivals with their ball teams. HARVEY has the Adair Stingers and TED the MC Wasps.

WINSTON HASLER was in M. C. from Hollywood. He is still Henri. He is a very famous dress designer in Hollywood. Believe me, you pay Henri or you just don't get your dress.

## CLASS PROPHECY (Continued)

As old as I am, this being the year 1964, I couldn't resist doing something I've always wanted to do. I walked over to the Fire Dept. and begged Fire Chief LOUIS CHRISTENSEN to give me a ride on the Fire Truck. He finally gave in and even let me turn the crank to blow the siren. Oooh! Was I thrilled!

Too soon it was time to depart. Again I went on the Greyhound. I had to look at that water as long as possible because I knew it would be a long time before I'd see that much water again.

Well, Dave and Igell, it's been nice visiting you in this way, but my fireflies are getting tired. I have to use fireflies for lights for that is all that is available for night lighting. Naturally, when my fireflies get too tired to stay up any longer, I have to retire, too. Good-bye.

Your old class-mate,  
DOROTHY ANN DOETSCH

## CLASS HISTORY (Continued)

Our leadeaders for this meet were Don Segar, Byron Wallace, Joan Erdmann, Bob Hund, Louis Christensen and Harrison Miller. There were 63 in this meet.

Because of the grueling pace being set by our leaders and sponsors, we had only 53 students left after the third meet. Our third meet was our biggest so far.

We were very busy and excited since we were to have a busy schedule for the last two meets. We were all "keyed" for the important meet in which we had a very successful dance, the Christmas Assembly, Magazine Sales, J-Hop, Prom and banquet.

Our leaders for this meet were Joan Erdmann, Sally Dye, Connie Robertson, Bob Hund, Jean Jessup, and Don Segar.

Our team was very determined as we marched out for the fourth and last meet. Our leaders for this meet were Joan Erdmann, Bill Smith, Connie Robertson, Shirley Koch, Pat Burch, and Sally Dye.

Our first event of the year was the magazine sale which we did very well in. Then came our Senior Carnival, Christmas Card Sales, and Thanksgiving assembly. Our Mistletoe Dance followed and was very successful. On the 17th and 18th of March we presented our Senior Play "Don't Take My Penny." Our Senior trip was an excursion on the Noronic to Mackinaw Island and back from May 15 to 18.

Now as we have completed our meets, we wish to thank Mr. Pfingst and Mrs. Fullwood for the wonderful coaching. We also wish to thank our teachers, parents, and friends for cheering us on to this victory.

The time finally arrived for 40 promising candidates to bid for positions on the 1948 Mariner football squad. Only two of the boys were regulars from last year's squad which captured the runnerup spot in the County League during the 1947 Grid Campaign. With nine lettermen and the other promising candidates our new head football coach, Edward Murphy, who was assisted by Charles Ketner, began to mold a team for our exhibition opener with Romeo, September 17.

## Just an Exhibition

Our green but spirited team traveled to Romeo to play the larger Class B school in a night game on September 17.

It was dedication night for the Romeo team which was playing in the new yet to be used field. The Romeo team found that to make it a successful dedication night it would have to go all out against this smaller Mariner 'll'. Using its huge 230 pound fullback to full advantage, Romeo scored in the second and third quarters to take a 13-0 decision. Our Captain, N. Welser, was injured in this game and failed to see anymore gridiron action till the last three games.

## Revenge is Sweet

Our first County game pitted us against our city rivals, Holy Cross. We went all out to avenge our 13-7 defeat handed us the previous year. The first half saw no scoring as both teams wanted this one. As the third period passed and the fourth was rapidly ticking away, it looked as though both teams were headed for a scoreless tie.

Then with a few minutes remaining, the Mariners unleashed an aerial attack. With a series of short passes the Mariners found themselves on their rivals 20 yard line. Still sticking to the air our Sophomore back Sid McLouth passed to Ken Wilde in the end zone for our winning Touch Down. Harv Brodeur converted the point on a place kick. Bill Hahn was acting captain.

## Nothing Gained; Nothing Lost

With the rain falling, our Orange and Black met St. Clair in our first league game under the lights at St. Clair on September 30. Led on the field by acting captain Louis Christensen the Mariners battled the River Saints to a scoreless deadlock. Both teams threatened seriously to score but failed. Harv Brodeur attempted a field goal for Marine City late in the game, but it was unsuccessful.

## Bad First Quarter

The Mariners dropped their first League game of the season to a hard charging St. Stephens 'll' on October 6 in a night game at Port Huron's new Memorial Park. The Mariners were pushed back to their goal line in the first quarter when a blocked Marine City punt resulted in a safety for St. Stephens. Then again in the same quarter after a series of running plays and a pass, the Saints scored again to end the scoring for the evening and to make the final score St. Stephens-8 and Marine City-0.

The Mariners threatened to score in the second half on plunges by Terbush and Kuburski but lacked enough drive to go over. Harrison Miller was acting captain.

## WOW!!!

A surprisingly strong and improved Marine City team ran through, around, and over a weaker but game New Baltimore 'll' on October 15 at Ward-Cottrell Field. The result was an overwhelming 25-0 victory.

The Mariners scored first on McLouth's end run good for 8 yards and a Touch Down. Brodeur converted. In the second quarter Kuburski flipped a pass to Christensen who lateralled to Terbush. Terbush then bulled his way for the score.

In the fourth McLouth ran around end again for a score to make it now 19-0. Later in the quarter Kuburski caught a partially blocked punt and ran for a touchdown to make it 25-0. John Anderson captained the team to victory.

## Tough Luck

In a gruelling grid contest with the Marysville team on their lighted field on October 22, the Mariners dropped their second league game of the season 12-6.

The Mariner's ran and passed down to Marysville's 20 yard line in the first quarter. Then the Mariners pulled their favorite pass play which back-fired. Marysville's end intercepted a pass and ran 75 yards to score. Marysville again scored in the second quarter to make the half time score 13-0.

In the fourth quarter a long pass from Donahue to Christensen found the Mariners in paydirt before they lost the ball on downs. Then a blocked punt and a line plunge by Hamilton resulted in six points. With seconds remaining a long pass to Wilde on Marysville's goal line failed to click as the game ended. Neil McDonald was acting captain for the night.

## We Failed

This was the one we were waiting for--Algonac. For two years they had been undefeated and last year they handed us a humiliating 48-0 defeat. A big rally and bonfire was held the night before. A snake dance from downtown to Ward-Cottrell Field with the band playing was in progress. Speeches were given to encourage us on to victory the following night. The students were all for us, but we failed.

The following night the Mariners, led on to the fog covered field by Blaine Terbush, were out to avenge defeat. But we met a superior team, one of the best in the state, and bowed 26-0.

## A Bitter Taste

The Mariners closed their season November 5 at Ward-Cottrell Field. The boys seemed to lack all their spark and life. As a result we bowed to Richmond 20-0. Norm Welser returned to service as our Captain.

This afternoon saw 9 seniors bow out of Marine City High School's Football. They are Blaine Terbush, Bill Hahn, Harrison Miller, John Anderson, Louis Christensen, Neil McDonald, John Bell, Harvey Brodeur, and Ralph Smith. Nine boys who really tried.

Our season wasn't the most successful as far as victories go but it was one of the most thrill-packed and fun-filled seasons anyone could ask for.

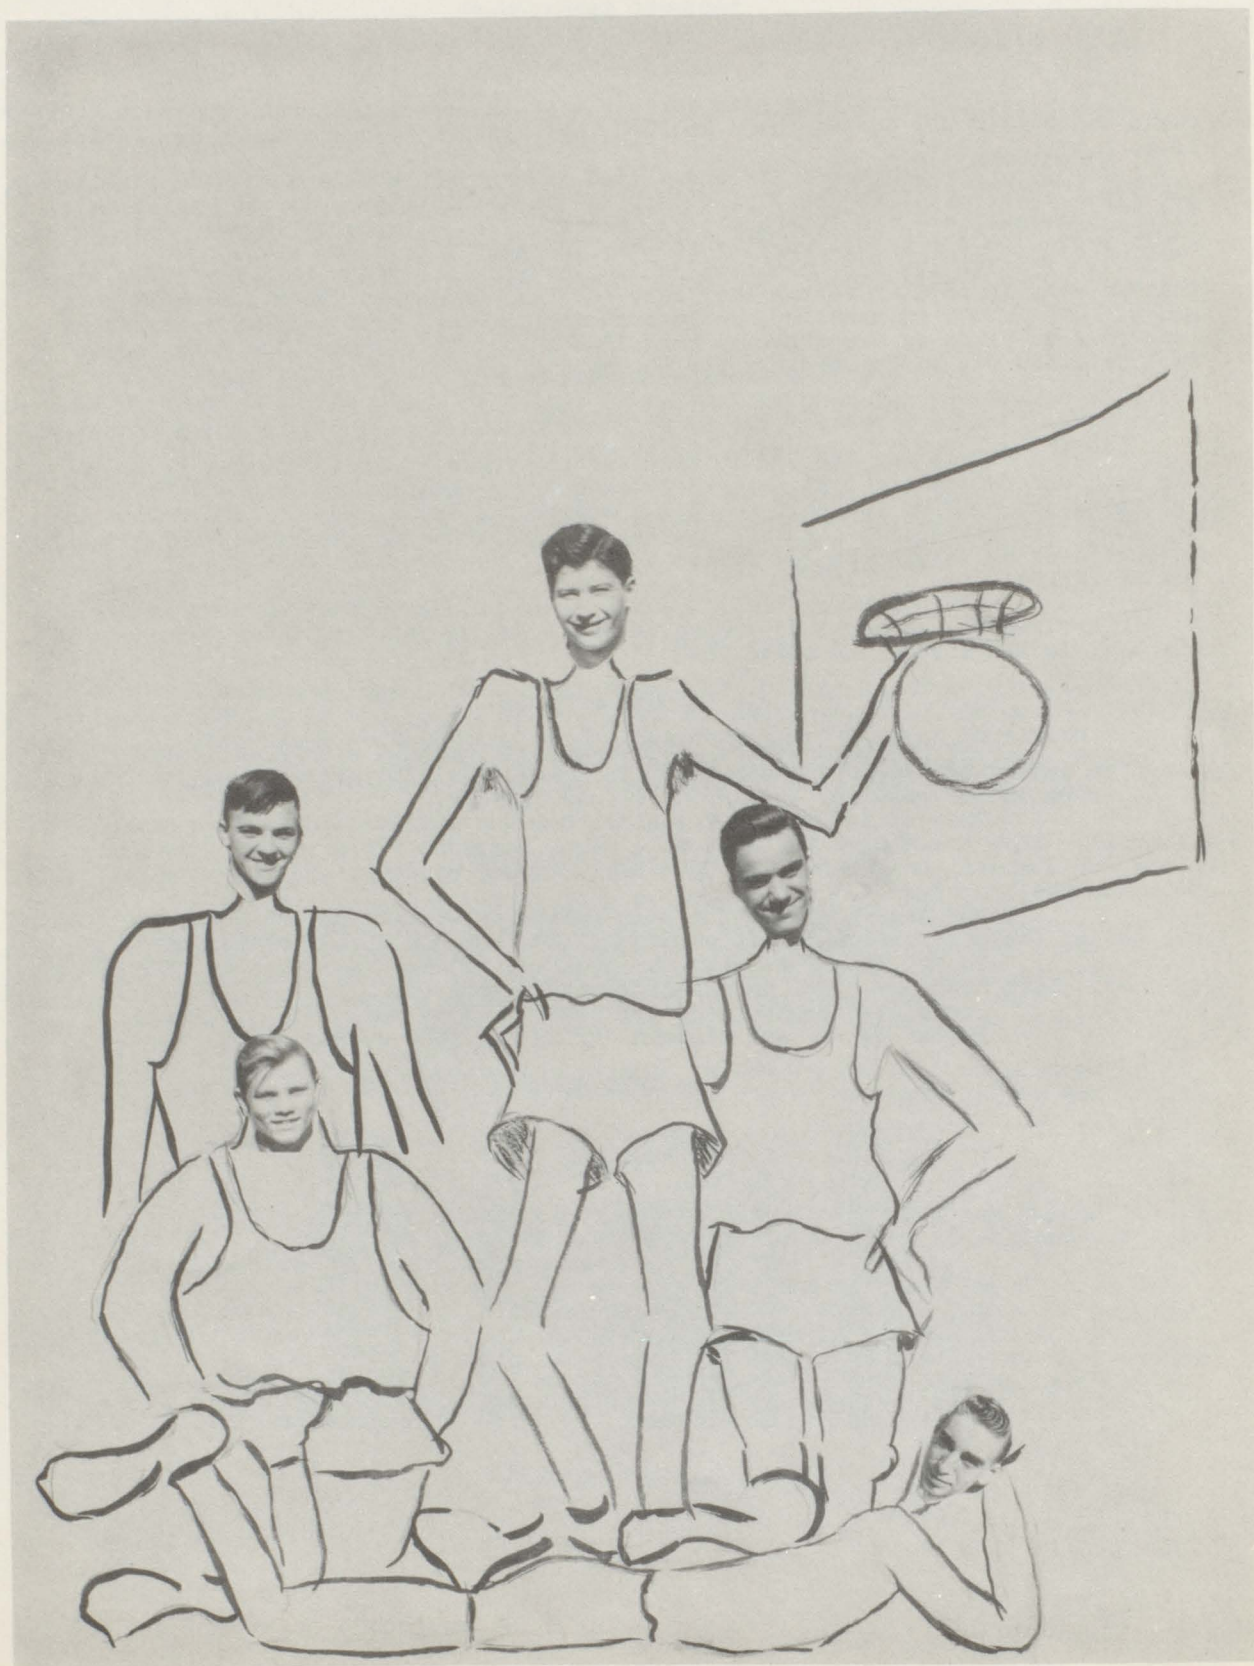

To Mr. Murphy we wish the greatest success next year and the years to come. Give him your best, gang, and you'll always win.

Louis Christensen made All County Second Team End.

Norman Welser was Captain during our 1948 season.

First Row: Bob Hamilton, Bernie Mitchell, Chester Kuberski, Harvey Brodeur, Louis Christensen, Sid McLouth, Harrison Miller, Norman Welser, Gordin Faucher.

Second Row: Gerry Burch, Bob VanWormer, Dick Wendt, Kenneth Recor, Lyle Campbell, Chuck Hahn, Jimmy Bellore.

The 1948-49 Mariner Basketball Squad had three returning lettermen from last year's squad. This trio, Louis Christensen, Harrison Miller, Norman Welser, along with the seven other boys, under Coach Charles Ketner, salvaged a 7-win, 11-loss record for Marine City. This gave the Mariners 5th place in the County standings.

The Mariners led at half time in 11 out of 18 games but somehow failed to hold their lead. The team as a whole scored 591 points while our opponents rang up 626. This we averaged 33 points a game while our opponents averaged 35.

The Varsity reserves coached by Edward Murphy ended with a .500 season.

Varsity scorers are: Christensen 140; McLouth 123; Brodeur 60; Welser 51; Duberski 54; Miller 44; Donahue 44; Faucher 38; Wilde 18; Hamilton 14; Mitchell 13.

The Marine City Mariners made an impressive start in the 1948-49 cage season at St. Clair, December 3. The Mariners piled up a 13-7 lead at halftime and ended up the victor 31-12. Harv Brodeur and Lou Christensen led the Mariners with 8 and 7 points respectively.

Marine City's first home game was played before a capacity crowd at Ward-Cottrell on December 10 against our down-river foe, Algonac. This game featured speed and fast ball handling. The halftime score found M.C. holding a one point lead in a 14-13 score. Algonac struck back fast in the second half and outscored the Mariners to win 38-24. Sid McLouth hit 7 points while Christensen was right behind him.

The Marine Quintet chalded up Victory Number 2 on December 16 by out scoring New Baltimore 48-21. Chet Kuberski was the big hero as he hooped 10 points. Christensen and Miller hit 6 while Welser and Mitchell scored 5.

December 22 saw the last game of 1948 for M. C. in an exhibition game with Lakeshore. The Mariners found things easy the first quarter and grabbed a five point lead. The Lakeshore boys came back and led 16-9 at halftime. Lakeshore still held their lead till late in the third quarter when quick baskets by Donahue and Wilde evened the score. Christensen then scored 9 points the last quarter for the Mariners and M.C. went on to win 33-27. Christensen led the team with 11 points.

The Orange and Black traveled to Washington Gym in Port Huron to play St. Stephens on January 7. It took our boys 9 minutes before they realized they were up against a "hot" team. Christensen scored all the Mariners' 6 points the first period while S.S. scored 9. S.S. then caught fire and went on to win 51-27. Harrison Miller and Louis Christensen scored 7 apiece for Marine City.

The Kersten Trophy was at stake January 11 in our first game of the season with Marysville. The Mariners kept the game close the first quarter and midway throughout the second. The halftime score showed the Marysville Vikings leading by 6 points. The Mariners were unable to keep up the pace in the second half and bowed 46-35. Marysville captured the Kersten Trophy. Christensen led his team again with 11 points. McLouth scored 8.

On January 14 Richmond came to Marine City to play the most unforgettable game of the season. The Mariners built up a 11-6 first period lead but got "cold" as Richmond surged ahead. The Mariners lost their whole starting five in the third and fourth quarter. Midway in the last quarter our three "Iron Men," Norm Welser, Bernie Mitchell and Bob Hamilton, were standing Richmond's "5". During this skirmish 49 fouls were called, 31 on Marine City. Welser, Miller, and Christensen scored 15 points for M.C. The score--63-31, in favor of Richmond.

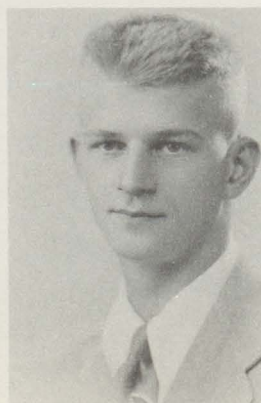

Our first game with our city rivals, Holy Cross, January 21, was one of the poorest games of the season. The game was slow, and bad ball handling and poor shooting was featured in the game. The Mariners who won 21-14 scored only 3 field goals; the other 15 points were made of free throws. Kuberski and Christensen swished 5 points apiece for the Mariners.

## BASKETBALL (Continued)

St. Clair got their revenge on Marine City in their second meeting January 28. The Saints trailed the Mariners 14-13 at half and broke at tie with a minute to go in the game to win 31-28. Sid McLouth led Marine City with 10 points.

Deadlocked 20-20 at halftime with New Baltimore February 4, the Mariners faught hard all the way. Even though New Baltimore was playing a greatly improved game, the Mariners won 42-35 in an exciting game. Christensen and Brodeur led M.C.

February 8 Algonac handed Marine City a 35-28 setback. Louis Christensen scored two baskets the first 15 seconds as M.C. shot to a 4-0 lead. Algonac then took over and outscored the Orange and Black 20-9 the first half and went on to win. Sid McLouth with 7 points and N. Welser and G. Faucher with 6 led the Orange and Black offense.

St. Stephens traveled to Marine City February 11 boasting a 11 game winning streak. The Saints to soon realized this gamewas to be no pushover as Harrison Miller hit 3 consecutive baskets on long shots. Christensen hit 3 more the second quarter and the Mariners were enjoying a 4 point halftime lead, 17-13. The Saints tightened down the second half and tied the game up as the third quarter ended. St. Stephens displayed their championship form the last period and won 31 to 26. Louie Christensen led the Mariners with 10 points while Harrison Miller hit 6.

Although the Mariners jumped to a 4 point lead on two successive baskets by McLouth, we were still outscored in every quarter by Marysville on February 15 in Ward Cottrell Gym. The final score was 39-27. Christensen and McLouth paced the losers with 9 and 7 points.

The Mariners traveled to Richmond February 8 but still found they were unable to cope with the larger, more experienced Richmond team. M.C. was outscored in all but one quarter as Richmond won 50-30. Sid McLouth and Norm Welser led their team with 8 and 6 points respectively.

Blowing a 16-13 halftime lead over a larger Yale team last February 22, the Mariners went down to a 43-33 defeat in an exhibition game. The Mariners teamed together and had the distinction of being the only team this year to hold Yale's huge 6'5" star center scoreless. The trio of McLouth, Christensen and Donahue scored 29 points for M.C.

In the last game of the regular season, the Orange and Black engaged Holy Cross at Ward Cottrell February 25. Leading by a slim margin at halftime, the Mariners with a fast break and beautiful shooting rolled over their city rivals 46-31. This was the last high school appearance in Ward Cottrell for Harv Brodeur, Harrison Miller, and Louis Christensen. Sid McLouth and Louis Christensen swished 29 points between them. Sid hit 15 of them. Louie scored on ten consecutive free throws before he missed his last two for a total of 10 out of 12 free throws.

## District Tournaments

The Mariners drew Holy Cross as their first foe of the Tournaments on March 2. The Mariners previously beat Holy Cross the week before this night. Tonight the Mariners, spearheaded by Christensen, McLouth, Brodeur, and Kuburski, rolled over their city rivals 40-13.

## BASKETBALL (Continued)

The second game of the tournaments saw an underdog Marine City team face a confident Algonac quintet. The Mariners scored first but Algonac had a 7 point lead at halftime. The third quarter was all even in scoring. In the final quarter the Mariners crept up to Algonac on baskets by McLouth and Brodeur, who led the team with 14 and 12 points but failed to win as Algonac clinched the game with seconds remaining 44-41.

Louis Christensen and Harvey Brodeur were elected Co-Captains of the 1948-49 Basketball team.

The Mariners look towards a brighter future next season with the returning of 7 lettermen. Harrison Miller, Harv Brodeur, and Louis Christensen have played their last basketball for Marine City High this year, but all three of us wish the 49-50 team a successful season full of victories. We also extend our appreciation to Charles Ketner for giving us an unforgettable and enjoyable season in our Senior years.

- Second Row: Jimmy Belore, Buddy Cooper, Bob Hamilton, Jerry Burch, Gordin Faucher, Don Brown, Harrison Miller, Kenneth Robinson, Gerald Edwards, Lloyd Furtaw, Mr. Ketner, Dick Lardie.
- Third Row: Harris Ringheisen, Syd McLouth, Eugene Totzke, Harvey Brodeur, Chester Kuberski, Kenneth Recor.

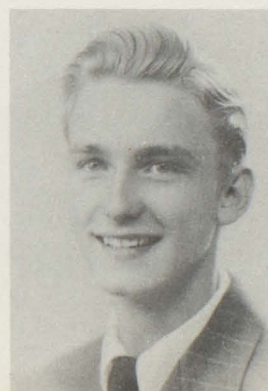

In five track meets so far this season the Mariner track squad defeated St. Clair 62-10 and Memphis 88 2/3-15 1/3. They also placed third in a meet with Port Huron, Algonac, and Marysville by beating Marysville. In a triangular meet with St. Clair and Memphis, Marine City placed first by displaying overwhelming strength in a majority of the events. Against Detroit University High, Marine City won 58-53.

This is Mr. Ketners second year as coach of the track team and it looks like a successful season for our 1949 thinclad boys again.

## BASEBALL

 Fourth Row: Larry Carpenter, Charles Netherton, Bob Horn, Jimmy Teichow, Chuck Hahn, Don Segar.

The 1949 baseball season outlook is one of the most promising since baseball has been a competitive sport in M.C.H.S. The Mariner '9' has 10 seasoned veterans returning of last year's starting '9' which won 4 and lost 3.

In three games played this season the Mariners defeated St. Phillips of Detroit 4-1. April 29, the Mariners aided by H. Brodeur's pitching and M. Burman's batting defeated a strong Richmond team in a 9 inning game 5-4.

May 3, Marine City went into its second extra inning game to win in the 8th. inning 4-3. Brodeur doubled with the bases loaded to drive home the winning run.

As the Mariner goes to press it looks like a championship team may represent Marine City for the first time since 1946.

This year the Log not only contained such traditional articles as the "Log-Jam" but added many new features. All of these have given great enjoyment to the readers and great satisfaction to the writers.

So to you, the coming Log Staff, we wish an equally exciting and successful year.

The Monitor System was organized in 1943 by Mrs. Lillian Keith, faculty advisor of the Student Council. The Student Council members participate in the system as hall monitors. Some students, who have free periods, are also asked to take monitor duty.

It is their duty to check all student hall passes. The monitor's willingness to cooperate to the fullest extent has added much to the success of the system.

The Monitor System has proved its value many times, and under the fine direction of Mr. Veldman, it has ably assisted the faculty throughout this school year. This enables the school to keep a complete record of the student's location during school hours.
